ENTRANCE DRIVEWAY PERMIT

The undersigned hereby makes application for a permit to construct an entrance driveway on County Highway No. _____, at the location shown on the following sketch. The driveway is to conform to the typical dimensions and shapes as shown on the attached sheet. It is agreed that construction will not begin until approval of this permit by the County Engineer, and that construction will be done to the satisfaction of the County. It is also understood that the County Highway is to be restored to its original condition, and that the County is to be held blameless in consequence of construction done by others.

Name of Applicant _____

Address _____

Phone _____

Name of Property Owner _____

Twp _____ Section _____ Quarter _____

Purpose of Driveway: _____ Field Access
_____ Residential Access
_____ Commercial Entrance

On the above sketch depicting the section, show the boundaries of the property served, the County Highway, other entrances, the location of buildings gaining access from this entrance, and the location of the entrance itself.

Is a building to be constructed? _____ Yes _____ No

Is this the only driveway from this highway? _____ Yes _____ No

Is a culvert needed? _____ Yes _____ No If yes, size of culvert needed: _____

Entrances will be allowed at the rate of one entrance per ½ mile per landowner, or when the entrance provides the only access to the property. If the County is requested to construct the entrance, the applicant will be charged **\$1,000.00 plus the costs for required culverts**. The charge for widening an existing entrance, or constructing an entrance not requiring a culvert, will also be **\$1,000.00**.
