

**A sad, but true, fact....  
trash is being left in the  
recycling drop-off  
containers located in  
Clarkfield & Wood Lake  
in Yellow Medicine County!**

**Trash is NOT to be disposed of in recycling  
containers. If this continues to happen, there is  
a possibility that the containers will be removed  
& will no longer be available for use.**

**Please pass along this important message. All  
the dedicated recyclers who use the containers  
properly don't want to lose this valuable service.**

**THANKS FOR YOUR HELP!**
