Your child care provider is requesting a variance that will affect her child care license. In order for the variance request to be considered, you need to fill out this form and **return it to Katie Mortenson, Yellow Medicine County Family Service Center (address above) within 5 days of receipt.** This information will help the screening team make a decision as to the approval or denial of the variance. The information on this form will NOT be shown to your provider.

- 1) Do you have any safety concerns regarding your provider taking on more children? Explain

- 2) Do you feel your child is given enough individual attention? Explain

- 3) Do you feel your provider has appropriate sleeping space for all children in care? Explain

- 4) Please comment regarding the safety in the home and yard.

- 5) Do you feel your provider has the ability to handle an increased number of children? Explain.

- 6) Do you have any supervision concerns regarding your provider taking on more children? Explain

- 7) Does your provider, at any one time, have too many children in her day care home? Please Comment

- 8) Do you feel that your child has adequate play and learning activities? Explain

- 9) Do you feel that your child watches too much television or has too much “screen time” while in your provider’s care? Explain

- 10) Are there any current problems with the care your provider is providing or with communication between you and your provider?

- 11) Do you have any general concerns with your provider requesting a variance to change the child care regulations concerning the age distribution and/or total number of children in her care?
